

# Encore®

## Encore Key Features

- **Lightweight over-the-head style** with adjustable headband and soft ear cushions for stable fit and all-day comfort.
- **Click-stop headband and turret** for superior fit and consistent microphone positioning.
- **Sound Enhancement System (SES®)** lets you select bass or treble setting for full, rich sound.
- **Superior Sound.** SoundGuard® technology provides natural voice tone and removes loud tones, as well as occasional noises and crackles on the line.
- **Quick Disconnect™** lets you walk away from your phone while still wearing your headset.
- **10-foot coil cord** and adjustable clothing clip for freedom of movement.
- **Can be worn on either ear.**
- **Available in monaural (sound in one ear) and binaural (sound in both ears) models.**
- **Available with Voice Tube or noise-canceling microphone:**

Voice Tube—Plantronics' trademark design; light weight and unobtrusive, delivers great sound quality in all but the noisiest environments.

Noise-canceling—Filters out background sounds for heightened speech clarity.

- **Warranty: Two years** for unsurpassed durability.
