

TriStar®

The TriStar delivers: ultralight weight, discreet style, and a comfortable, custom fit. Its unique three-point design provides support behind, on top of, and in the ear for extra stability. Advanced materials make TriStar incredibly light but still very durable.

TriStar Key Features

- **Plantronics compatibility.** TriStar works with all Plantronics audio processors and USB-to-headset adapters. Direct-connect solutions are also available for headset-ready phones and agent consoles, providing connection flexibility for your diverse working environment.
- **Exceptionally lightweight, over-the-ear style.** Three-point design provides unsurpassed stability and all-day comfort.
- **Four user-selectable earbuds** for a custom fit.
- **Supports Clearline™ audio technology.** Ensures precise listening levels, sophisticated hearing protection, and superior audio performance when used with Plantronics audio processors.
- **Quick Disconnect™** lets you walk away from your phone while still wearing your headset.
- **10-foot coil cord** and adjustable clothing clip for freedom of movement.
- **Available with Voice Tube or noise-canceling microphone:**
 Voice Tube—Plantronics' trademark design; light weight and unobtrusive, delivers great sound quality in all but the noisiest environments.
 Noise-canceling—Filters out background sounds for heightened speech clarity.
- **Can be worn on either ear.**
- **Warranty: Two years** for unsurpassed durability.
