#### Features

- Heavy gauge steel construction for long-term durability
- Black powdercoat finish for maximum corrosion resistance
- Won't interfere with levers or factory-installed consoles located on transmission hump
- Won't interfere with passenger leg space
- Adapter brackets that don't require drilling are available for other select vehicles. Contact Gamber-Johnson for options/availability.
- For extra stability a *Support Brace* (Item No. LAC-02) is recommended

**Item No. DS-59**
