Dell D620/D630/ATG Docking Cradles

| Description | Weight | Height | Width | Depth |
|-----------------------------------|----------|--------|--------|--------|
| Dell D620/D630/ATG Docking Cradle | 5.75 lbs | 3.67" | 13.46" | 13.25" |

Features

- The *Dell D620/D630/ATG Docking Cradle* attaches to the D/Port Advanced Port Replicator (sold separately) to make a complete mobile Docking Station. The D/Port Advanced Port Replicator can be purchased through Dell or any authorized Dell reseller
- Push button latch allows for easy computer placement and removal
- Side hold-down clips along with the front and rear support brackets secure computer and port replicator in cradle keeping equipment and mobile workers safe
- For trunk mounted applications, the hold-down clips can be adjusted to secure the computer with the screen closed
- Key lock built-in to help deter laptop theft
- The optional *Shock/Vibration Isolator Plate* (Item No. 7110-0719) is highly recommend for non-rugged laptop computers
- 3 year limited warranty (on all sheet metal components)
- Aluminum structure for reduced overall weight
- Rugged construction for long term durability
- Black powdercoat finish for maximum corrosion resistance

Note: For current users of the *Dell D600/D610 Docking Cradle* (Item No. NP-DELL), a clip package (Item No. NP-D620-CLIP) can be ordered to fit the D620/D630/ATG computers into your existing Dell D600/D610 Docking Cradle (Item No. NP-DELL).

Item No. **NP-DELL-A**
