*Definitely not a weak point!*

IMPACT™ GOLD SERIES accessories are designed for the budget conscious user who refuses to sacrifice quality.

All wire kits feature our 7 available Snaptight™ interchangeable ear options for the ultimate in versatile, hygienic and cost effective accessory solutions. Choose your wire type, then choose the best ear option for your application.

Now issue the user his or her own ear option of choice and keep the wires connected to the radio to save cost on replacement wires, extend the life of the radio accessory jack and offer the user a more personal accessory option.

Built to the same high standards as our Platinum Series, the IMPACT™ GOLD SERIES is the perfect solution for hospitality, retail, light security and sporting applications.
