

Platinum Series

When only the best will do

IMPACT™ Platinum Series provides the purchaser with a fully comprehensive and cost effective accessory solution. Now you don't have to spend a fortune to get reliable, super tough products that work out of the box and keep working out in the field!

Our Platinum Series Accessories are **professional grade** and specifically engineered for public safety, military, high security, and heavy use applications.

All IMPACT™ products are manufactured to exacting standards using only top grade components. Knowles™ brand microphones and transducers, rugged Kevlar™ reinforced cabling and heavy duty strain reliefs ensure top performance in the most demanding environments.

Already in use by hundreds of Public Safety officials world-wide, the IMPACT™ Platinum Series is your premium, OEM quality accessory line at "aftermarket" prices!
