Aerodynamic multi-purpose camera with an adjustable pan/tilt installation and an extra-wide field of view.

**SV-625B**  
A day/night camera with eighteen infrared illuminators giving you the clearest image possible even in dimly lit areas.

## Optional Accessories

### LCD RAM® Mount/Swivel Pedestal

Safety Vision offers a variety of mounting options for our monitors. The RAM® mount is ideal for heavy duty operations and the swivel pedestal allows for flexible viewing angles.

### Camera Cables and Cages

Safety Vision offers a wide range of cable types and lengths from 16 feet to over 100 feet. Sectional cables provide ease of installation and repair. Heavy duty operations benefit from the addition of camera cages for enhanced camera protection.

## Warranty Agreement

Safety Vision's standard warranty for new items is one year. Extended warranties and advance replacement agreements also are available. Ask your sales or customer service representative for details.
