CAROUSEL SOLO 240 STANDALONE DIGITAL SIGNAGE SYSTEM

Carousel Solo brings a new level of capability and price to the web-enabled digital signage market. A complete package with both hardware and software, this mini Player features the ability to act as a low cost, standalone digital signage system or as a part of a larger digital signage framework.

WHY USE THE SOLO 240?

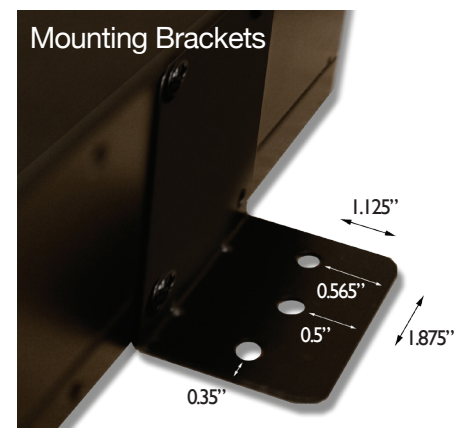

- For applications where only a single channel of digital signage is required.
- **NEW!** NVIDIA® ION GPU for smoother handling of transitions, crawls and video.
- **NEW!** Windows® 7 Professional.
- Whisper quiet, small and lightweight, perfect for mounting behind a display.
- Hardware, software, channel license and Display Engine all in one.
- Displays RSS feeds, web cams, video, Adobe® Flash® and images for dynamically rich content.
