CAROUSEL SOLO 310 STANDALONE DIGITAL SIGNAGE SYSTEM

Carousel Solo 310 brings a new level of capability and price to the web-enabled digital signage market. A complete package with both hardware and software, this rack mounted player features the ability to act as a low cost, standalone digital signage system or as a part of a larger digital signage framework.

WHY USE THE SOLO 310?

- For applications where only a single channel of digital signage is required.
- **NEW!** TV Input -- for displaying live video signals (up to 1080i) in a zone or full screen -- now included with every 310.
- **NEW!** NVIDIA® Quadro® FX 380 LP for professional graphics handling of transitions, crawls and video.
- **NEW!** Windows® 7 Professional.
- Displays RSS feeds, web cams, video, Adobe® Flash® and images for dynamically rich content.
